Dear Ms. Center:

An advisory opinion is requested regarding the following matter. Pursuant to KRS 119.205 (4), voters may be transported to the polls to vote by various individuals and *may* be paid for this service.

The Meade County Democratic Woman's Club has asked the question as to whether the members may transport voters and perhaps advertise this service. It is my understanding that there would *not* be a fee charged. Also, are there reporting requirements for this service since this is an organized group?

Thanking you in advance for your prompt response to this matter, I am

Sincerely,

Katherine Mercer
Meade County Clerk
